

Ballarat Clarendon College has set the following rules which students must abide by while enrolled at the school. These College Rules must be read in conjunction with other school policies and may be amended from time-to-time.

school uniform

Student Appearance and the Wearing of Uniform

In addition to the time spent at school during the school day, there are many situations when students are seen by others as representatives of the general school community. This includes travelling to and from school, taking part in excursions, participating in school teams or groups, or acting as an official school representative. It is important that students endeavour to present themselves in a way that will reflect positively on themselves and on the school community. Students are expected to be correctly dressed and well-groomed, clean and tidy during the school day, whilst travelling to and from school and when involved in any of the activities previously mentioned.

Blazers and Outer Garments

- If school uniform is being worn outside of school hours (for example, when out with parents), then the full correct uniform should be worn, including blazer.
- All students at the Sturt Street campus are required to wear their blazers to school every day. At certain times of the year, determined by the Co-Heads of School, wearing the blazer home is optional. Students will be notified of these times.
- The school jumper is not to be worn as the outer garment outside the school grounds or when attending formal gatherings, such as Assembly and Chapel.
- At the Junior School, blazers are not required to be worn to and from school up until the Labour Day Exeat in March. The Head of the Junior School may change this rule and request that blazers be worn at particular times throughout Term 1.
- In cold or wet weather, a school soft shell jacket may be worn over the blazer to and from school. At school, it may only be worn as an outer garment during physical education or sport.

Shoes

- Clean black leather lace-up shoes should be worn by students. Girls have the option of wearing T-bar buckle shoes. Boots, sports and suede shoes are not acceptable.
- Heels should be of standard size.
- Sports socks may only be worn with the sports uniform.

Physical Education Uniform

- Students in Prep to Year 4 are to wear their physical education uniform for the entire day on days when physical education is timetabled.
- At the Sturt Street campus, Physical Education uniforms must not be worn to and from school, unless on an official school sports day.
- Students are expected to be familiar with the specific dress requirements for physical education, sport and other school activities. These requirements will be made known by the appropriate teachers and coaches, who also have the responsibility for enforcing them. If a student is not correctly attired, then participation in that activity is jeopardised.

Other Uniform Requirements

- At the Junior School, girls from Prep to Year 4 are permitted to wear the boys' grey shorts with a red polo top or a crested white shirt. Socks worn with shorts can be the girls' white socks or the boys' charcoal socks with three stripes.
- At the Sturt Street campus, female students are permitted to wear grey shorts or girls' grey trousers with a crested white shirt. Socks worn with shorts must be girls' white socks.
- Girls' kilts should be worn no higher than just above the knee.
- Students are not to wear coloured t-shirts or shirts with a visible motif underneath the white school shirt. Short-sleeved shirts are acceptable.
- The open neck shirt, when not tucked in, should not be visible below the blazer.
- Students in Years 5 and 6 must wear the secondary school uniform.
- The King Island polo fleece is not part of the Sturt Street uniform.

Jewellery

The wearing of jewellery, outside the guidelines below, is not permitted except with the permission of a Head of School. Any offending item will be confiscated, held in a labelled envelope, and the student may request its return after six weeks.

- Girls only may wear one stud or sleeper of small size in each earlobe.
- Rings, bracelets and visible necklaces are not permitted.
- A wrist watch may be worn.

Make-up

- The wearing of apparent make-up, including nail polish, with school uniform is not permitted. Students will be required to remove make-up and/or nail polish if worn to school.

Hair

Students who choose hairstyles outside the guidelines below will be asked to rectify the situation. Should this not occur, the Principal may require the student to attend a school-selected hairdresser or to work at school in isolation during the school day until the hair style is acceptable.

- Hair should be kept clean, neat and tidy at all times.
- Hair of sufficient length is to be completely tied back at all times.
- Boys' hair must not extend below the shirt collar at the back and should be neatly tied back in order to meet this requirement.
- Boys must keep their face clean-shaven.
- Extreme, non-natural hair colours, such as pink, green, blue, purple, red, orange or yellow, are not permitted.
- Tips and foils of natural hair colours are acceptable as long as they blend with the overall colour of the hair.
- Extreme styles (for example, mohawks, top knots) are not permitted.
- Hair ribbons, clips, scrunchies and ties must be black or red only.

Uniform – ELC Students

Children are required to wear the Early Learning Centre uniform.

- Regulation red polo shirt
- Clarendon black shorts
- Clarendon fleece
- Regulation plain black track pants
- Clarendon wide-brim hat

ELC – Other Uniform Requirements

- Children should wear runners as these are lightweight, comfortable and suitable for outdoor play. If students are unable to tie their shoelaces, please ensure that these are velcro. Please avoid distracting accessories such as flashing lights on shoes.
- Hair ribbons are to be either black or red in colour; earrings, if worn, must be studs.
- Parents are requested to provide a change of clothes in case the clothes the child is wearing become soiled.
- In Winter, parents are requested to provide a hat and coat. It is also important to provide a waterproof jacket to enable the child to participate in outdoor play.
- In Summer, parents are requested to provide a Clarendon wide-brim hat and roll-on personal sunscreen.
- Parents are asked to ensure that all items of clothing, including hats, are clearly named. Each child at the ELC will be provided with a pigeon hole where belongings are stored. Each child is required to bring a large backpack with a zip.
- Parents are asked to discourage their children from bringing toys to the ELC (other than books or music/CDs) as they may become broken or lost, or the focus of peer competition. On occasion, the teacher may request children bring something from home for a specific learning activity.

student absences

Absences - Whole School

- If a student is unable to attend school due to illness or other exceptional circumstances, a parent should notify the school via the Clarendon App, under 'Student Absentees', before 8.45am (or as soon as practicable).

responsibilities and rights

All students and staff have the responsibility to respect the rights of other students and staff. When all rights are respected and responsibilities carried out, our school will run smoothly and create an atmosphere of self-discipline and self-respect where members are encouraged to fully develop.

As a student at Ballarat Clarendon College, I have many rights. I should expect to be treated with dignity and respect, for school staff to engage me in a professional and diligent manner, for my learning progress to be taken seriously and for instruction and support to be implemented in a way that allows me to achieve my potential in all areas of my learning. I have a right to feel safe at school and to have access to facilities that enhance my educational experiences.

I also have responsibilities. It is my responsibility to treat others respectfully and to do nothing that impacts negatively on their educational experience. It is my responsibility to abide by the rules that the school community has established with respect to behaviour, how I physically present myself in the context of school and how I treat the school and the property of others.

I also have a responsibility to give my best effort, to push myself when confronted with challenges and to seek support when this is needed. I have a responsibility to make the most of the opportunities that being a student of Ballarat Clarendon College provides me.
