

fee schedule 2022

10 September 2021

Dear Parents

In what continues to be a challenging operating environment, the Board is very much aware of the pressure that many in our community are facing and remains vigilant in its responsibility to manage our increased costs. In reviewing the budget and setting tuition fees, the Board must balance the goals and objectives of the school with our desire to maintain relative affordability for the educational opportunities that Ballarat Clarendon College provides for its students and families.

Over the course of 2020-2021, the Board has invested in professional learning for all staff. Improving the quality of the teaching of our robust and sequenced knowledge-rich curriculum is the most significant driver in improving student outcomes. Furthermore, the Board's commitment to Clarendon's Student Development curriculum is evident in the investment in the construction of the residential campus at Yuulong. On nearly 50 hectares with views across the Southern Ocean, the campus will welcome its first group of students in early 2022.

The tuition fees and boarding fees for 2022 have now been ratified by the Board and I provide formal notification of the 2022 fee schedule in the attached pages.

Consistent with previous years, I have included a diagram providing an overview of the basic components of our 2022 budget income and recurrent expenditure.

Email advice on the process for re-enrolment for the 2022 academic year will be forwarded shortly. Re-enrolment must be completed by Friday 5 November 2021.

The Clarendon Board prides itself on governing in an effective and efficient way; however, without the support of parents and the commitment of all staff, we would not be the celebrated school that we are today.

Chair, Ballarat Clarendon College Board of Directors
